- All orders will be processed at time of receipt. All goods available ex stock will be despatched if your account is operating within payment terms & current credit limit at point of processing. Any order received by a representative of a Customer's business is deemed valid and the Terms and Conditions detailed herein therefore apply.
- In order to expedite delivery, Madison & Sportline operates on a 'real time' basis and Customer orders are passed for packing immediately following processing. It is not therefore possible to 'add' to an order after it has been passed for processing.
- Pre-coded orders will naturally be processed as a priority over orders requiring coding upon receipt. Please refer to your Product Directory for current product codes.

Carriage

- Parts & Accessories: £10 charge for orders under £200 value.
- Via B2B: £5 charge for orders under £150 value.
- Carriage is free for orders valued above these thresholds.

Madison & Sportline Spares Service

- Spare parts as identified within the specific spares price list will be despatched free from any carriage charges as part of our continual commitment to service quality to Specialist Retailers.

Delivery

- Every attempt is made to deliver by the next working day, for all orders received no later than 3.00pm.

- Unfortunately, it is not possible to provide this level of service for those of our Customers in more remote regions or islands of the United Kingdom and Ireland, where an up to three-day delivery service generally prevails. Equally, due to erratic daily demands during peak season, we may not always be able to maintain our levels of service but rest assured of our commitment to despatch as quickly as possible.
- Customer orders are not accompanied by any paperwork unless specifically requested otherwise but a despatch note and/or invoice are sent electronically by email in advance of you receiving the delivery. The despatch note details the contents in full, enabling Customers to check orders upon receipt. The items detailed on the despatch note, will be the items Customers are charged for on the invoice. The invoice is identical to the despatch note, but includes cost details & will list the products in the same order as the delivery note to simplify the reconciliation process in store.
- The despatch note details the suggested retail price where one exists, which may be of assistance when price tagging the order in store.
- Delivery will be made by our appointed carriers or by post. Every reasonable effort will be made to execute orders in one consignment. In the event of incomplete availability, subsequent deliveries will be shipped carriage paid.

Damages, Shortages, Non-Delivery & Price Queries

- We will not accept any claim in respect of damage in transit, shortage or non-delivery unless it is communicated to the Customer Care Team as follows:
 1. For damage in transit - within 3 days of the receipt of goods;
 2. For shortages - within 3 days of the receipt of goods;
 3. For non-delivery - within 10 days of the date of the invoice;
 4. For Price Queries - within 3 days of the receipt of invoice.
- We regret that notifying any of our staff other than a member of the Customer Care Team does not constitute 'notice'.
- No deduction from the payment of invoices may be made for goods damaged, not received or where there is a price dispute, until Madison or Sportline has issued a credit note.
- If all or part of a consignment is refused due to damage, the relevant Customer Care Team must be notified immediately. Damaged parcels received by post should not be refused, but accepted and the Customer Care Team notified immediately.

Forward Orders/Goods Awaiting Despatch

- Forward orders for goods not available ex-stock at time of order placement will be automatically despatched once the goods are available, & without prior notification, given that the account is within payment terms and credit limit at that time. Carriage will be paid by Madison/Sportline and our standard terms and conditions at the time of despatch will prevail.
- Customers who do not want to benefit from the forward order service, which reserves goods awaiting delivery, should notify the Customer Care Team in writing. Following which, only goods available ex stock will be supplied to your business.
- The Customer can review all outstanding orders on www.madisonb2b.co.uk or www.sportlineb2b.co.uk and amend quantities. Alternatively a list can be requested by contacting customer care.
- Cancellations cannot be accepted following the despatch of the goods.
- Users of B2B can manage their own back/forward orders on-line.
- In all instances, any expected future availability dates made available to the Customer are based upon the best information available at that time and are open to change due to factors affecting supply and the level of forward order business already booked.

Customer Care contact:

- Please contact Customer Care to obtain a 'Customer Returns Number' (CRN).
- The issuing of a CRN, instruction to return goods or arrangements for the collection of goods are made without prejudice and in no way should be construed as an acceptance of liability.
- Please remember that Madison & Sportline carries a comprehensive range of spares, many of which are not listed. In numerous instances we are able to prevent the need to return a product by the issue of spares to

fix the product in store. The Customer Care Team includes personnel who can advise Customers of spares available.

- Always securely package returns and address to:

**Warranty Department, 74 Alston Drive, Bradwell Abbey,
Milton Keynes MK13 9HA**

- In order to ensure we are always able to identify who returns have been sent from, please always enclose with the returns, a note clearly stating your 'Customer Returns Number', Customer account number (if known), business name, address & telephone number. Please include a report listing the reasons why each of the products is being returned.
- The Customer Care Team must be notified in writing with the returned goods should the reason for return relate to a consumer claim for damages.
- Goods returned without full customer and product details or sent to the incorrect address can obviously not be dealt with promptly and delays will occur.
- If accepted as faulty, goods will be replaced or a credit note issued within 14 working days of receipt.
- Credits will only be issued where replacement parts are not available.
- Product, which we do not believe to have been purchased from ourselves, will be rejected unless proof of purchase can be provided.
- We retain many years of sales history by customer and product and are able to verify all purchases during this period, where necessary.
- Where credits notes are issued they will be at the price prevailing at the time of credit.
- If a Customer is able to provide proof of purchase or price invoiced at time of purchase should a dispute arise and which may be applicable to goods with a lifetime guarantee, we will adjust the customer's credit accordingly.
- No member of Madison or Sportline personnel is empowered to offer replacement parts or credit other than the Customer Care Team, and then only after thorough examination by the Warranty Department. Please do not embarrass them by asking.
- Any customer who promises to refund or replace an item without it first being examined and accepted by the Warranty team, does so at their own risk.
- It is the responsibility of the customer to meet the cost of returning warranty goods and is allowed for within our original pricing. This policy has been adopted to negate abuse of this service and the subsequent costs, which we would then have to pass on to all of our customers. We will as always, reimburse the Customer for the cost of returning goods, where proven that the cause for return is due to error or negligence on the part of Madison or Sportline at the time of processing or despatch.
- All returns are examined to the specifications laid down by the original suppliers of each brand. Failure to meet their criteria would obviously negate any credit and impact upon product pricing.

- Any consumer claim in the first instance should be referred to the original retail vendor who is responsible for resolving the claim with the consumer. Madison & Sportline complies with current legislation as set out within the Supply of Goods Act 1979 and the Consumer Protection Act.
- Madison & Sportline shall not in any event be liable for any indirect, special or consequential damages howsoever arising including but not limited to financial loss or loss of profits in connection with or arising out of the supply, failure to supply, functioning or use of the goods. Madison & Sportline shall not be liable for any damage caused to third party property arising from the functioning or use of the goods.
- Any returns sent to other business addresses, other than the Returns address published above, will be charged carriage for the transfer to the correct address at a charge of £10.
- Any good stock returns will incur a 10% handling charge.

Pricing

- Bona fide retailers who have a direct account with Madison & Sportline and who consistently keep their account within payment terms and credit limit are automatically entitled to access all products listed within the Product Directories, current from time to time at 'Trade' price.
- 'Key'. 'Super' & 'Premier' prices may be accessed by all retailers when purchasing at the quantity rates listed in the Product Directories. Quantity rates apply to individual product options, i.e. product size & colour

options and will automatically trigger the higher discount tiers at point of processing.

- Customers who have achieved a proven minimum annual purchase criteria for Parts & Accessories may apply to be allocated automatic Stockist, Key, Super or even Premier discount rate for all purchases of parts and accessories irrespective of individual order quantity.
- Details of current minimum purchase criteria are available to Independent Retailers upon application to a Madison & Sportline Sales Representative. The criteria and retailer turnover levels are reviewed on a regular basis. Changes to individual Customer discount rates necessitated upon these reviews will be communicated in writing.
- Madison & Sportline reserves the right to alter prices without prior notice. Orders are accepted on the basis of prices ruling upon the day of despatch. This applies irrespective of any prices a Customer may quote on their order or that may be listed at time of receipt of order.
- We provide a full Product Directory of parts and accessories and the prices listed apply to single items except where a larger pack quantity is quoted.
- From time to time Madison & Sportline may make special promotions available to its customers. Any prices which apply to these promotions are only available on orders submitted to Madison within the terms and before the 'Closing Date' detailed thereupon. For the majority of promotions prices apply at date of processing and not date of despatch only when using the special offer forms provided.
- It is our policy to reward Independent retailers who commit both volume purchase and width of product range to Madison & Sportline with improved discount rates and therefore greater flexibility of purchasing.
- Madison & Sportline may recommend to Retailers resale prices at which it may resell products to final customers. Such recommendations shall be non-binding for the Retailer. The Authorised Retailer is free to set its own resale prices as long as the Retailer adheres to applicable laws.
- Please note, the grant of access to a Madison & Sportline trade account does not oblige Madison & Sportline to accept any order.

Retention of Title

Risk & title

- The risk in the Goods shall pass to the Customer upon delivery.
- Title to the Goods shall not pass to the Customer until Madison & Sportline has received payment in full (in cash or cleared funds) for:
 - the Goods; and any other goods that Madison & Sportline has supplied to the Customer.
- Until title to the Goods has passed to the Customer, the Customer shall:
 - hold the Goods on a fiduciary basis as Madison's & Sportline's bailee;
 - store the Goods separately from all other goods held by the Customer and in such a way that they can be easily identified as Madison's & Sportline's property;
 - not remove, deface or obscure any identifying mark or packaging on or relating to the Goods;

- maintain the Goods in satisfactory condition and keep them insured against all risks for their full price from the date of delivery;
- notify Madison & Sportline immediately if it becomes subject to an Insolvency Event;
- give Madison such information relating to the Goods as Madison & Sportline may require from time to time, but the Customer may resell or use the Goods in the ordinary course of its business.
- If before title to the Goods passes to the Customer the Customer becomes subject to any Insolvency Event, or Madison & Sportline reasonably believes that any such event is about to happen and notifies the Customer accordingly, then, provided that the Goods have not been resold, or irrevocably incorporated into another product, and without limiting any other right or remedy Madison & Sportline may have, Madison & Sportline may at any time require the Customer to deliver up the Goods and, if the Customer fails to do so promptly, enter any premises of the Customer or of any third party where the Goods are stored in order to recover them.
- Madison & Sportline reserves the right to close the account at any point in the year should the ownership of the business change.
- Title of each item of the Goods will not pass to the Customer until they have made payment in full to Madison & Sportline in respect of the Goods and no other amounts are then outstanding from the Customer to Madison & Sportline in respect of other Goods supplied by Madison & Sportline.

Payment Terms

- Madison Credit Control contact:
 - email: credit.control@madison.co.uk
 - Tel: 020 8385 3462 Monday to Friday 9am to 5.15pm.
 - Fax: 01908 309091 7 days a week, 24 hrs a day.
- Sportline Credit Control contact:
 - email: credit@sportline.co.uk
 - Tel: Accounts Receivable: 01908 442813
- All invoices are due for payment by the 15th of the month following date of invoice, e.g. order invoiced 5th January, payment to be received by 15th February.
- A statement is supplied to all customers soon after each calendar month end to assist a Customer's payment process.
- It is strongly recommended that Customers submit payments to arrive by 13th of each month to allow for payment posting to accounts prior to the 15th of the month.
- A Customer's account may become automatically credit stopped even if within terms should it surpass the authorised credit limit. Credit limits are set via external financial credit references & may be increased dependent upon a Customer's payment record with Madison & Sportline.
- It is advisable, as with any borrowings that Customers pre-notify Madison's & Sportline's Credit Control Department of your anticipated

credit limit requirement for prior approval with external agencies in order to allow continuous supply to the business. Customer credit limits are detailed on your monthly statements.

- If Customers have any queries on invoiced prices or goods received the Customer must contact the Customer Care Team within the timescales detailed under 'Damages, Shortages, Non Delivery & Price Queries' herein.
- Madison & Sportline allows a period of up to 4 weeks after the invoice due date in which queries may be resolved during which supply may be allowed to continue. If payment is not received by 13th of the month 2 months following date of invoice the account will automatically be put on credit stop via the operating system e.g. order invoiced 5th January disputes must be settled & payment received by 13th March to avoid credit stop.
- In circumstances of a consistently poor payment record the grace period for resolution of queries may be withdrawn. along with access to the . payment discount incentive.
- It is not viable for Madison & Sportline to issue notice of credit stops to individual Customers, and the onus is with the Customer to make timely payments against statements, operating within the authorised credit limit detailed upon your monthly statement.
- Every time a cheque, standing order, banker's order or direct debit fails to clear the Customer's bank on presentation, Madison & Sportline will separately surcharge the Customer's account £15.00.
- Madison & Sportline will levy a service charge of up to 0.2% daily charge, on all overdue amounts, payable from the date the account becomes overdue. All current and future deliveries to the account will be suspended until the arrears are settled in full to the satisfaction of the Credit Control Department.
- Goods allocated to a Customer's account, where there is excess demand, will be reallocated to supply accounts to account who are within their terms.
- Payment and discount terms may be reduced without prior notice and ultimately open account terms may be withdrawn. Madison & Sportline recommends payment via B.A.C.'s (Direct Debit) for security reasons, and that these payments are made 10 days ahead of the dates outlined above. This is due to the time delay in notification and therefore posting to the operating system, which affects credit stop. It is recommended that any such payments are notified separately in writing to Credit Control Department at the time they are made in order to assist prompt allocation against invoice.
- From time to time different payment terms may be agreed in writing with individual accounts. Such agreements will impact upon the payment dates outlined above.
- All payments must be mailed to the below addresses to be received no later than the due dates outlined above.
- Customers outside of the United Kingdom and Republic of Ireland may be subject to other terms of payment.
- Debit notes for disputes will not be accepted.
